- Parkside Elementary

"I am beyond excited to join the wonderful Orchard Elementary community! I can't wait to learn the rich traditions and culture of being an Orchard Eagle.

"All students can reach their highest potential when they feel cared for, safe, and engaged in a fun learning environment. As a proud father of five amazing children, all currently in elementary school, I deeply appreciate the trust that families place in their local schools.

"My wife and I have been married for almost 14 years. I love spending time with my family, whether at their sporting events or playing in the backyard. I enjoy the outdoors, especially mountain biking, skiing, and sports.

"With a decade of classroom experience and three years in administration, I have witnessed firsthand the magic of learning in the classroom. My top priority is supporting teachers and students while collaborating with parents to ensure every child's success.

"As a former DLI student who personally experienced the lifelong benefits of learning another language, I appreciate the incredible opportunities available at Orchard. Whether in the DLI program or a regular education classroom, all students will grow, learn, and thrive together in this unique and enriching environment.

"I am excited to collaborate with all stakeholders to help **ALL** of our Orchard Eagles soar to new heights. We will cultivate a school environment where every child feels valued and empowered. Embracing education as a team effort, I am eager to listen, learn, and work together to ensure every student thrives!"
